

Take the guesswork out of FSA spending

FSAsotre.com is a one-stop destination for flexible spending accounts where participants can buy eligible products, search for services, and learn about their benefits plans. This online store accepts your WEX debit card for payment to make filing claims seamless!

Why use FSA Store:

- As you approach the end of your plan year, and the final service date allowed, it is important to be mindful of your remaining FSA funds. If you don't use the balance in your FSA, you may end up forfeiting the balance, which means you lose them. The FSA store makes it easy to search for eligible items, and purchase them, to use up those dollars and prevent losing them.
- In addition to shopping at the FSA store, their Learning Center has resources that allow you to search for services that are eligible and to educate yourself on how you can make the most of your election.

Did you know...

EVERYTHING purchased on the FSA Store is eligible under the IRS required guidelines! This means you will not need to provide WEX with any additional documentation of what was purchased when you shop at FSAsotre.com.
