

FSA & HSA stores: your one-stop benefits shop

FSAstore.com and HSAstore.com are one-stop destinations for flexible spending accounts (FSAs) and health savings accounts (HSAs) where participants can buy eligible products, search for services, and learn about their benefits plans. These online stores accept your WEX debit card for payment to make filing claims seamless!

Why use FSA and HSA Store:

- **For FSA:** As you approach the end of your plan year, it is important to be mindful of your remaining FSA funds. If you don't use the balance in your FSA, you may end up forfeiting the balance, which means you lose them. The FSA store makes it easy to search for eligible items, and purchase them, to use up those dollars and prevent losing them.
- **For HSA:** While HSA plans do not have risk of forfeiture, it is important that you ensure your purchases are eligible. The HSA store can give you ideas for eligible items you may not have expected could be purchased with your HSA funds.
- In addition to shopping at the FSA and HSA store, their Learning Centers have resources that allow you to search for services that are eligible and to educate yourself on how you can make the most of your election.

know...
