

Flexible Spending Account Orthodontia Expenses

Save on Orthodontia Expenses

Braces...they're expensive. But you can save from 25-40% by paying for them with tax-free money from your health FSA or limited-purpose FSA. Pay for yourself, your spouse, and your tax dependents.

Savings will vary. There are many parts to your orthodontia payment plan and each will affect your costs and savings: your orthodontia contract, dental insurance, negotiated savings, your tax bracket, and more.

Here's How it Works

You negotiate your payment plan and send a copy of the signed contract or itemized receipts to Chard Snyder. Pay using your Chard Snyder Benefit Card or submit claims on the Chard Snyder Mobile App or in your online account. You may continue to pay across several years, based on your contract.
